Environmental Health New Septic Systems Test

Environmental Health Code

Place "property flags" on each corner iron of lot. All property lines must be clearly flagged approximately every 50 feet between corners.

Place "house corner flags" at each corner of where the house/manufactured home will sit. Use additional flagging to outline driveways, garages, decks, out buildings, swimming pools, etc.

Place flags at locations as developed on site plan by Customer Service Technician and you.

Place Environmental Health "orange" card in location that is easily viewed from road.

If property is thickly wooded, Environmental Health requires that you clean out the undergrowth to allow the soil evaluation to be performed. Inspectors should be able to walk freely around site. No grading of property should be
