**Re: Status of Improvement Permit Application #07-5-19044 – Lt 226  
Woodshire**

To Whom It May Concern,

On January 22, 2008, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other – Reduce number of bedrooms to 3. Submit new plot plan to Central Permitting.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.  
Environmental Health Specialist  
Harnett County Department of Public Health
