Dear Mr. Pierce,

Lt 24 Persimmon Hill

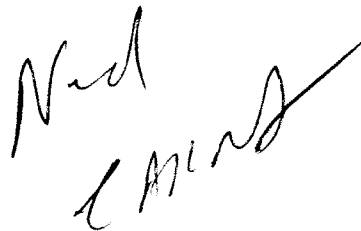

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines (irons)/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other ***Due to the location of the storm pond on lot 23 & 24 you will need to have your private consultant provide a proposed layout for a septic system and repair area for each lot.***

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7527 to reconfirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.
