Re: Status of Improvement Permit Application #08-5-19801 – Lt 27

To Whom It May Concern,

On April 25, 2008, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other – House footprint is too large for this lot. Reduce footprint and the number of bedrooms to 3. Submit revision to Central Permitting.**

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7527 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
