**Re: Status of Improvement Permit Application #08-5-19883 R**  
**Patton's Point II Lt 174**

To Whom It May Concern,

On May 16, 2008, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. **Other – Over half of the lot is covered with more than 6 feet of fill soil. Remove the fill for soil evaluation.**

Your application will be put on hold until the selected items above have been addressed.

When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
