**Re: Status of Improvement Permit Application #08-5-20038**  
**McNeill Mill Heights Lt 1-A**

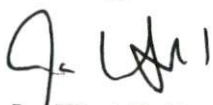

To Whom It May Concern,

On May 30, 2008, an attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled - I do not know if this is site is correct - no sign or no flags. Please mark.**
- 2. House corners not marked or labeled**
- 3. Directions not clear to property**
- 4. Property needs brush or vegetation removed**
- 5. Backhoe pits required - Have backhoe operator call me to schedule a time to meet on site.**
- 6. Other**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
