NAME: *This application to be filled out when applying for a septic system inspection.* County Health Department Application for Improvement Permit and/or Authorization to Construct IF THE INFORMATION IN THIS APPLICATION IS FALSIFIED, CHANGED, OR THE SITE IS ALTERED. THEN THE IMPROVEMENT PERMIT OR AUTHORIZATION TO CONSTRUCT SHALL BECOME INVALID. The permit is valid for either 60 months or without expiration depending upon documentation submitted. (complete site plan = 60 months; complete plat = without expiration) 910-893-7525 option 1 CONFIRMATION # Environmental Health New Septic System Code 800 Place "pink property flags" on each corner iron of lot. All property lines must be clearly flagged approximately every 50 feet between corners. Place "orange house corner flags" at each corner of the proposed structure. Also flag driveways, garages, decks, out buildings, swimming pools, etc. Place flags per site plan developed at/for Central Permitting. Place orange Environmental Health card in location that is easily viewed from road to assist in locating property. If property is thickly wooded, Environmental Health requires that you clean out the undergrowth to allow the soil evaluation to be performed. Inspectors should be able to walk freely around site. Do not grade property. Call No Cuts to locate utility lines prior to scheduling inspection. 800-632-4949 (This is a free service) After preparing proposed site call the voice permitting system at 910-893-7525 option 1 to schedule and use code 800 (after selecting notification permit if multiple permits exist) for Environmental Health inspection. Please note confirmation number given at end of recording for proof of request. Use Click2Gov or IVR to verify results. Once approved, proceed to Central Permitting for permits. Environmental Health Existing Tank Inspections Code 800 Follow above instructions for placing flags and card on property. Prepare for inspection by removing soil over door as diagram indicates. Loosen trap door cover. (Unless inspection is for a septic tank in a mobile home park) After preparing trapdoor call the voice permitting system at 910-893-7525 option 1 & select notification permit if multiple permits, then use code 800 for Environmental Health inspection. Please note confirmation number given at end of recording for proof of request. Use Click2Gov or IVR to hear results. Once approved, proceed to Central Permitting for remaining permits. **SEPTIC** If applying for authorization to construct please indicate desired system type(s): can be ranked in order of preference, must choose one. in
