No refunds for anything in Jaylin Oaks. All the soil work has been done, the applicant has to make some revisions/proposals to finish up.

Subject: Refund EH Fee

I started applications for 20 lots in Jaylin Oaks Subdivision. Mr. Pretlow submitted a large check into escrow. I processed the applications and then I had to refund some remaining monies to him out of escrow. His escrow balance is now zero dollars. D'Allen Pretlow is now requesting a refund on lot 20 in Jaylin Oaks Subdivision. I cannot do an escrow adjustment, so does EH need to do the Herbert refund?

Thank you,
