**Re: Status of Improvement Permit Application #09-5-21670**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled *(\$25.00 fee incurred)*
- 2. House corners not marked or labeled *(\$25.00 fee incurred)*
- 3. Directions not clear to property *(\$25.00 fee incurred)*
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – See attached sheet

Your application will be put on hold until the selected items above have been addressed.

When completed **please call 910-893-7527 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
