To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – Due to the soil encountered and drainage pipes coming from these lots please have your consultant submit proposals.**

Your application will be put on hold until the selected items above have been addressed.
