126 Wood Lake Drive
Fuquay-Varina, NC 27526

This letter is in reference to a framing change made at the above referenced residence. The plans call for a double 1 3/4" X 12" LVL supporting the attic floor and the roof rafters, located in the exterior wall of the Master Bathroom. A triple 1 3/4" X 9 1/4" LVL was substituted for the original LVL. This triple LVL is sufficient to support the applied loads from the original plans. No other action is required.

I trust this letter meets your needs, but please feel free to call.

Sincerely,

Gregory W. Dickey, P.E.

Gregory W. Dickey
10/6/10
