**Re: Status of Improvement Permit Application #09-5-22556, #09-5-22557, #09-5-22558**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled (*\$25.00 fee incurred*)
- 2. House corners not marked or labeled (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – see below

*Septic tank contractor was contacted and asked to bring to our office the subdivision map to scale out available space for house placement. Lots 6, 7, and 9 systems were flagged. Please call 910-893-7547 to schedule a time to meet in the office with me to go over the items addressed above.*

Your application will be put on hold until the selected items above have been addressed. We will then reschedule your property for evaluation after these items have been discussed and revisions if necessary have been submitted.

Sincerely,
