To Whom It May Concern,

Please review the enclosed Improvement Permits which I have had to change since the original issue on April 28, 2010. If you have already picked up your permits for these lots please destroy and use the enclosed. The originals are being voided.

Due to the amount of soil removed when lots 1, 2, 3, 24, and 25 were cleared, the ditch depths on the permits have been revised.

If you have any questions, please don't hesitate to give me a call.

Sincerely,

Bryan McSwain, R. E. H. S.
