Lots have been Approved by all state and county governmental agencies and infrastructure has been completed, as defined herein. Lots have been recorded in the Harnett County, Register of Deeds office, State of North Carolina in Book 2010, Page 43 - 45, a copy is attached hereto by reference. Subdivision was developed by and Seller will purchase the Lots from Butner Investments, LLC, whose address is : _____, hereinafter known as, ("Developer of Record"). Seller is buying Lots from Developer of Record for \$25,000 each by/through the "Lot Purchase Agreement" between Buyer and Developer of Record, signed and dated : May 20th, 2010, a copy of which is attached hereto as Exhibit "B".

AGREEMENT

In consideration of the mutual promises, covenants and conditions contained herein, Seller and Buyer agree as follows :

1. **PURCHASE AND SALE:** Buyer hereby agrees to purchase from Seller all (10) Lots, under the mutually agreeable terms and conditions defined herein. Buyer agrees to purchase from Seller Lots #: 92-94, 9103-109, as shown on the plat map attached hereto as, "Exhibit "A".
2. **PURCHASE PRICE :** The purchase price of each of the identified Lots shall vary per the terms defined in Section 4 below and shall be paid in cash or certified funds at/through the Closings of each of the lots in accordance with all the terms and conditions of this Agreement.
3. **DEPOSIT:** At the time of execution of this "Agreement", Buyer shall deliver to Seller, an earnest money deposit ("Deposit") of \$1,000 per lot being purchased, equal to Ten Thousand Dollars (\$10,000), in order to secure the Buyer's obligation hereunder. This Deposit is Non-Refundable. However, Seller shall apply \$1,000 of such Deposit towards the purchase price of each of the Lots at each Lot closing, per the schedule as defined in Section 4 below.
4. **CLOSING OF LOTS:** Conveyance of title and payment of the purchase price ("Closing") for all of the Lots defined herein are to be closed as follows: (all dates shall mean calendar days)
 - a. Buyer shall close on the purchase of all of these defined (10) Lots over a maximum of a Nine (9) month period from the date of Seller's purchase closing of such lots from the Developer of Record, as follows :
 - b. Of these (10) Lots, any (5) Five lots shall be closed by Buyer within (180) calendar days of the date of Seller's purchase of such lots from the Developer of Record, at a lot price of \$29,000 per lot;
 - c. Buyer shall then close on the remaining defined (5) Five Lots within (270) days of the date of Seller's purchase of such lots from Developer of Record, at a lot price of \$31,000 per lot;
 - d. Buyer shall have the right to close on any/all Lots defined herein at anytime earlier than defined herein, however, Buyer shall pay the same lot prices as defined above in order that Seller will collect the same average price per lot of \$30,000.
 - e. Buyer currently owns or has control of other lots in this Subdivision that Buyer is currently or will be building upon, more specifically known as lot #: (in Phase 3B= Lot #: 70-71, 81, 85, 95-96, 101-102,

114 & ~~97-100~~ 113, and in Phases 1 & 2 = #: 40, 41, 43, 47, 57, 61-69, & 82; hereinafter known as "Other Buyer Lots". "Other Buyer Lots" shall exclude the following lot #s located within Phases 1 & 2 of Subdivision : (lot # 1, 3-4, 13, 29-32, 35, 37, and 55-56), which are also owned by Buyer. Therefore, anytime after Sixty (60) days from the date of Seller's purchase of the subject Lots from Developer of Record, as defined in Section 1 above, Buyer agrees to close on at least one (1) Lot, as defined in 4a through 4d above, within 30 days of a contract for sale of a home on any of the above defined "Other Buyer Lots" and/or the subject Lots. This process shall continue until all defined Lots owned by Seller are closed by Buyer from Seller, however, All defined Seller owned Lots shall be closed by Buyer no later than the closing dates defined in 4a through 4d above.

- f. As of the date of this Agreement, each of the subject Lots has/have all improvements in place, are not requiring anything additional from Seller, and are ready for lot closings to occur by Buyer as defined in this Agreement. No additional improvements are required of Seller for Buyer's purchase of Lots.
- g. Buyer shall be responsible for paying any/all Homeowners Association dues and/or assessments, if any, that may be associated with these defined Lots from the date of Seller's purchase of Lots.
- h. Should Buyer not close on Lots as defined herein in Section 4 (a thru f), there shall be a \$75 per day carry charge added to the purchase price of any/all Lot(s) that are past due to be closed. Should Buyer fail to close on any lots by the required closing date(s), then Seller can sell to another buyer and Buyer would remain liable for the difference in lot sales price, (if less than the contract price), PLUS the \$75 per day late fee calculated through the actual date that Seller closes on the sale of the Lot(s) to another buyer.

5. **Seller's Representations and Warranties:** Buyer has purchased other lots in this subject Subdivision prior to the purchase of these subject Lots from Seller. Therefore, Buyer is familiar with all of the subject lot improvement details on each of these subject Lots without the need for Seller to represent further. Buyer acknowledges that Seller did not develop the Subdivision in which these Lots are located and Buyer will need to look to the Developer of Record for remedies of any problems with road improvements, storm water retention, septic soil issues, and any other improvements made to these subject Lots. Seller agrees to work with Buyer, on an as needed basis, to assist Buyer in obtaining any/all necessary assistance from Developer, however, Buyer agrees to hold Seller harmless of any loss, damages, etc. incurred as a result of any improvements, Septic or soil problems, etc. that Buyer may encounter on any of these subject Lots. Buyer shall also agree to cover any/all of Seller's costs that may be necessary should Buyer need Seller to assist with any problems or issues arising with Developer of Record on any of the subject Lots. All improvements for Subdivision were/shall be installed by Developer of Record per Subdivision improvement plans submitted to and approved by Harnett County and NCDOT. Each Lot has been improved with County water run to each lot line and Buyer shall be responsible for payment of any water tap or hook-up fees necessary to obtain access to water on each lot.

The subject Lots are part of a recorded subdivision plat fronting on paved streets. Seller cannot guarantee that Buyer will be able to put any size or style home that they may choose on every lot in subdivision. Harnett County building guidelines will require Buyer to submit house plans to Harnett County Inspections for approval in order to obtain final building & septic permits. The septic system layout type and size will be determined at that time by Harnett County Health department based upon the Buyer's chosen home size and the location of the house on each lot. Seller purchased the subject lots from Developer of Record based upon each lot being an approved buildable lot, recorded and ready for construction. Developer of Record has warranted that each of these lots are suitable for a septic system suitable for a single family home and that should any Lot fail to be approved by Harnett County for such permit then Developer of Record will trade the Lot for another available Lot of same price. As a result, Buyer agrees to hold Seller harmless should any of the subject lots end up not being suitable for a septic system approval by Harnett County. Seller agrees to work with Buyer and Developer of Record, as needed, to make any lot line Adjustments necessary to make any such lot approvable, but Buyer agrees to purchase all such Lot(s) as defined in this Agreement, regardless of whether these issues can be resolved or not.

Improvements (Private and Public): All utilities and streets have been built to State, County, and NCDOT specs according to the development, utilities, and road construction plans approved by State, County, and NCDOT. If not turned over to NCDOT for maintenance as of the date of this Agreement, these roads will not be turned over to NCDOT for public maintenance until such time as there are a sufficient number of occupied homes in Subdivision to meet NCDOT requirements. Seller is/was not the Developer of this Subdivision, therefore, shall not be responsible for working with NCDOT to get roads accepted by NCDOT at the appropriate time, and this shall not be grounds for Buyer to delay any defined lot closings. Buyer shall be responsible for all lot related fees including, but not limited to, any lot clearing/grading necessary for desired house placement &/or septic system installations, any/all construction fees, building permit/inspection fees, homeowners association dues, soils evaluations, septic layouts, and any water meter tap or access fees which shall be paid by Buyer as part of the building and permit process for the house construction on each Lot purchased.

Covenants and Restrictions : There are recorded Restrictive Covenants on all Lots in Subdivision. Buyer has already, as of the signing of this Agreement, reviewed and approved such covenants and restrictions placed upon the subject Subdivision Lots.
