## Cooper Farms Proposal

- Wynn Construction proposes to buy 9 lots upfront in Cooper Farms Subdivision at \$25,000 per lot.
- Wynn will keep a minimum of 6 spec homes going at all times.
- Wynn will purchase an additional lot each time a spec sales on the first 3 spec sales. The additional lots purchased after spec sale will be no later than 45 days after closing. On the 4<sup>th</sup> spec sale, Wynn will start a spec home on a lot that Wynn already owns in order to satisfy bank expectations. Wynn will continue this cycle until Wynn no longer owns any more vacant lots at which time Wynn will then purchase an additional lot each time a spec sales for the remainder of the subdivision.
- As long as Wynn continues to purchase lots on the above cycle, seller agrees that Signature Home Builders, Inc. and Wynn will be exclusive builders in the subdivision.
- Wynn will furnish seller with house plans that Wynn will build in the subdivision. Wynn will be responsible for proposing subdivision specs for review. Upon agreement by Wynn and seller on subdivision specs, plans and pricing, both builders agree to build their homes as consistent with this agreement as possible.
- Seller will be responsible for proposing a marketing plan for the subdivision.
- This proposal is contingent upon Wynn getting bank approval for the subdivision.
