Re: Status of Improvement Permit Application #11-5-26540

Dear Mr. & Mrs. Greer,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible (\$25.00 fee incurred)**
- 2. Use orange flags to mark house corners**
- 3. Directions not clear to property
- 4. Property needs only brush or vegetation removed
- 5. Backhoe pits required
- 6. Other – I have tried to locate your property based on the directions given and it appears that there was no flagging and the orange sign was not in place. Please contact me when your site is ready.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547** to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
