**Homeowners Applying to Build Their Own Home**

Please answer the following questions then see a Permit Technician to determine if you qualify for permit under Owners Exemption. Questionnaire per G.S. 87-14 Regulations as to Issue of Building Permits (Memo available upon request)

- 1. Do you own the land on which this building will be constructed?     yes     no
- 2. Have you hired or intend to hire an individual to superintend and manage construction of the project?     yes     no
- 3. Do you intend to directly control & supervise construction activities?     yes     no
- 4. Do you intend to schedule, contract, or directly pay for all phases of construction work to be done?     yes     no
- 5. Do you intend to personally occupy the building for at least 12 consecutive months following completion of construction and do you understand that if you do not do so, it creates the presumption under law that you fraudulently secured the permit?     yes     no

I hereby certify that I have the authority to make necessary application, that the application is correct and that the construction will conform to the regulations in the Building, Electrical, Plumbing and Mechanical codes, and the Harnett County Zoning Ordinance. I state the information on the above contractors is correct as known to me and if any changes occur including listed contractors, site plan, number of bedrooms, building and trade plans, Environmental Health permit changes or proposed use changes, I certify it is my responsibility to notify the Harnett County Central Permitting Department of any and all changes.

Date

**Affidavit for Worker's Compensation N.C.G.S. 87-14**

The undersigned applicant being the:

General Contractor     Owner     Officer/Agent of the Contractor or Owner

Do hereby confirm under penalties of perjury that the person(s), firm(s) or corporation(s) performing the work set forth in the permit:

Has three (3) or more employees and has obtained workers' compensation insurance to cover them.

Has one (1) or more subcontractors(s) and has obtained workers' compensation insurance to cover them.

Has one (1) or more subcontractors(s) who has their own policy of workers' compensation insurance covering themselves.

Has no more than two (2) employees and no subcontractors.

While working on the project for which this permit is sought it is understood that the Central Permitting Department issuing the permit may require certificates of coverage of worker's compensation insurance prior to issuance of the permit and at any time during the permitted work from any person, firm or corporation carrying out the work.

Company or Name: Bill Clark Homes of Fayetteville, LLC

Sign w/Title: Kimberly Coy - New Home Coordinator Date: 7/14/11

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million (19.5% of the population).

There is a growing awareness of the need to address the needs of older people, and the Government has set out a strategy for the 21st century in the White Paper on *Ageing Better: The Government's Strategy for Older People* (Department of Health, 1999). This strategy is based on the following principles:

- (i) Older people should be able to live independently and actively in their own homes.
- (ii) Older people should be able to live in their own communities.
- (iii) Older people should be able to live in their own homes and communities for as long as possible.

There is a growing awareness of the need to address the needs of older people, and the Government has set out a strategy for the 21st century in the White Paper on *Ageing Better: The Government's Strategy for Older People* (Department of Health, 1999). This strategy is based on the following principles:

- (iv) Older people should be able to live in their own homes and communities for as long as possible.
- (v) Older people should be able to live in their own homes and communities for as long as possible.
- (vi) Older people should be able to live in their own homes and communities for as long as possible.
