Wynn Construction, along with Signature Home Builders and Hugh Surles Builders, will be the exclusive builder team in Trotter's Ridge Subdivision subject to the terms and conditions hereinafter set forth.

- Wynn shall close on the purchase of 15 lots within 30 days after plat recordation of Phase 1 and 1A, of which 1 lot out of these 15 will be subordinated by Seller for the purpose of a model home
- Seller shall keep 1 lot subordinated throughout the entire 111 lots for the purpose of a model home
- Wynn shall close on the purchase of an additional lot within 14 days of a closed sale of a Wynn spec home in Trotter's Ridge subdivision
- Wynn along with the aforementioned builder team shall close on all 45 lots in Phase 1 and 1A within 15 months of the initial lot closing and on all remaining lots in Trotter's Ridge within 48 months of the initial lot closing
- Purchaser and Seller acknowledge that all 111 lots are under contract by Wynn
 Construction, however, Wynn assigns the rights to Signature Home Builders Inc. and
 Hugh Surles Builders to purchase lots for the purpose of building homes for sale in

Seller warrants that the Lots will be part of a subdivision plat fronting on paved public streets. Seller further warrants that underground electrical, telephone, and county water will be available to serve the Lots. Seller further warrants that all lots are suitable for a 3-bedroom conventional septic system. If a Lot fails to secure a 3-bedroom conventional septic system permit from Harnett County (including conventional pump systems), Purchaser shall trade the Lot for another available Lot of the same price. Seller is responsible for all assessments and fees associated with developing the Lots into building lots and any outstanding special assessments. Seller shall cause all private improvements to be accepted by the Homeowners Association, if any; and if there are public improvements, Seller shall cause all public improvements to be dedicated and accepted to the appropriate public entity.
- 3. LOT STAKING. The initial staking of the Lot corners has been completed (which staking may or may not be the final iron pin staking). Purchaser shall be responsible for all restaking of a Lot following closing or following any commencement of any construction activities (which includes delivery of materials) on a lot prior to closing.
- 4. TITLE: At the time of Closing of any Lot purchased under this Agreement, marketable title shall be conveyed by General Warranty Deed and shall be free, clear, and unencumbered except for and subject to the following:

Both Seller and Purchaser must give the other party written notice ten (10) days in advance of exercising any remedy for default, in which ten (10) day period the defaulting party shall be entitled to cure such default.
