Re: Status of Improvement Permit Application # 11-5-27984

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible (*\$25.00 fee incurred*)
- 2. Use orange flags to mark house corners
- 3. Directions not clear to property
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other – Home site is too large for the lot. See attached proposal from your Soil Scientist.**

Your application will be put on hold until the selected items above have been addressed. When completed please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Oliver Tolksdorf, R.E.H.S.
Environmental Health Soil Scientist
