Hello Jessica. All you need to do is send me an email stating that you are going to become the general contractor on your house and that is all I need. ☺ Please add the application number to that email also.

Thank you, ☺

Subject: Permit Question

Hello Donna,

I am not sure if you remember talking with me or not a while back.

We are in the process of constructing our home. There is a chance that my husband is going to take over as the general contractor to complete the remaining construction of our home. What do we and our contractor need to do to make this happen in the event we decide to do this? Is there a form that needs to be completed?

Thanks in advance for your help!
