Preliminary plat proposes approximately 111 lots on parcel recorded in Plat Book 2005, Page 843, Deed Book 2524 at Page 136.

STATEMENT OF PURPOSE and AGREEMENT

Seller desires to sell and Purchaser desires to purchase from Seller all 111 lots in all phases of Trotter's Ridge Subdivision. Wynn Construction, along with Signature Home Builders and Hugh Surles Builders, will be the exclusive builder team in Trotter's Ridge Subdivision subject to the terms and conditions hereinafter set forth.

- Wynn shall close on the purchase of 15 lots within 30 days after plat recordation of Phase 1 and 1A, of which 1 lot out of these 15 will be subordinated by Seller for the purpose of a model home

- Purchaser and Seller acknowledge that all 111 lots are under contract by Wynn
 Construction, however, Wynn assigns the rights to Signature Home Builders Inc. and

Seller further warrants that underground electrical, telephone, and county water will be available to serve the Lots. Seller further warrants that all lots are suitable for a 3-bedroom conventional septic system. If a Lot fails to secure a 3-bedroom conventional septic system permit from Harnett County (including conventional pump systems), Purchaser shall trade the Lot for another available Lot of the same price. Seller is responsible for all assessments and fees associated with developing the Lots into building lots and any outstanding special assessments. Seller shall cause all private improvements to be accepted by the Homeowners Association, if any; and if there are public improvements, Seller shall cause all public improvements to be dedicated and accepted to the appropriate public entity.
- 3. LOT STAKING. The initial staking of the Lot corners has been completed (which staking may or may not be the final iron pin staking). Purchaser shall be responsible for all restaking of a Lot following closing or following any commencement of any construction activities (which includes delivery of materials) on a lot prior to closing.
- 4. TITLE: At the time of Closing of any Lot purchased under this Agreement, marketable title shall be conveyed by General Warranty Deed and shall be free, clear, and unencumbered except for and subject to the following:

- 5. DEFAULT: If Purchaser defaults on any obligation under this Agreement, Seller may treat this Agreement as null and void and sale lots to other buyers. If Seller defaults on any obligation under this Agreement, then Buyer shall have such rights and remedies as may be afforded to it by law, including but not limited to, the right of specific performance. Both Seller and Purchaser must give the other party written notice ten (10) days in advance of exercising any remedy for default, in which ten (10) day period the defaulting party shall be entitled to cure such default.

6. MISCELLANEOUS:

- d. This agreement contains the entire understanding between the parties and may be amended only by written agreement signed by both Seller and Purchaser.
- e. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions, all of which shall be valid and enforceable to the fullest extent permitted by law.
- f. The waiver of any party of a breach of any provision of this Agreement shall not be considered a waiver of any other breach of such provision or any other provision of this Agreement.
- g. The parties acknowledge that no realtor or broker represented the interest of either party, and that no commissions are due to anyone as a result of the purchase and sale of the Lots.
- h. At all times, the parties will operate in good faith in carrying out the terms of this Agreement.
