Show profile locations and other site features (dimensions, references or benchmark, and North)

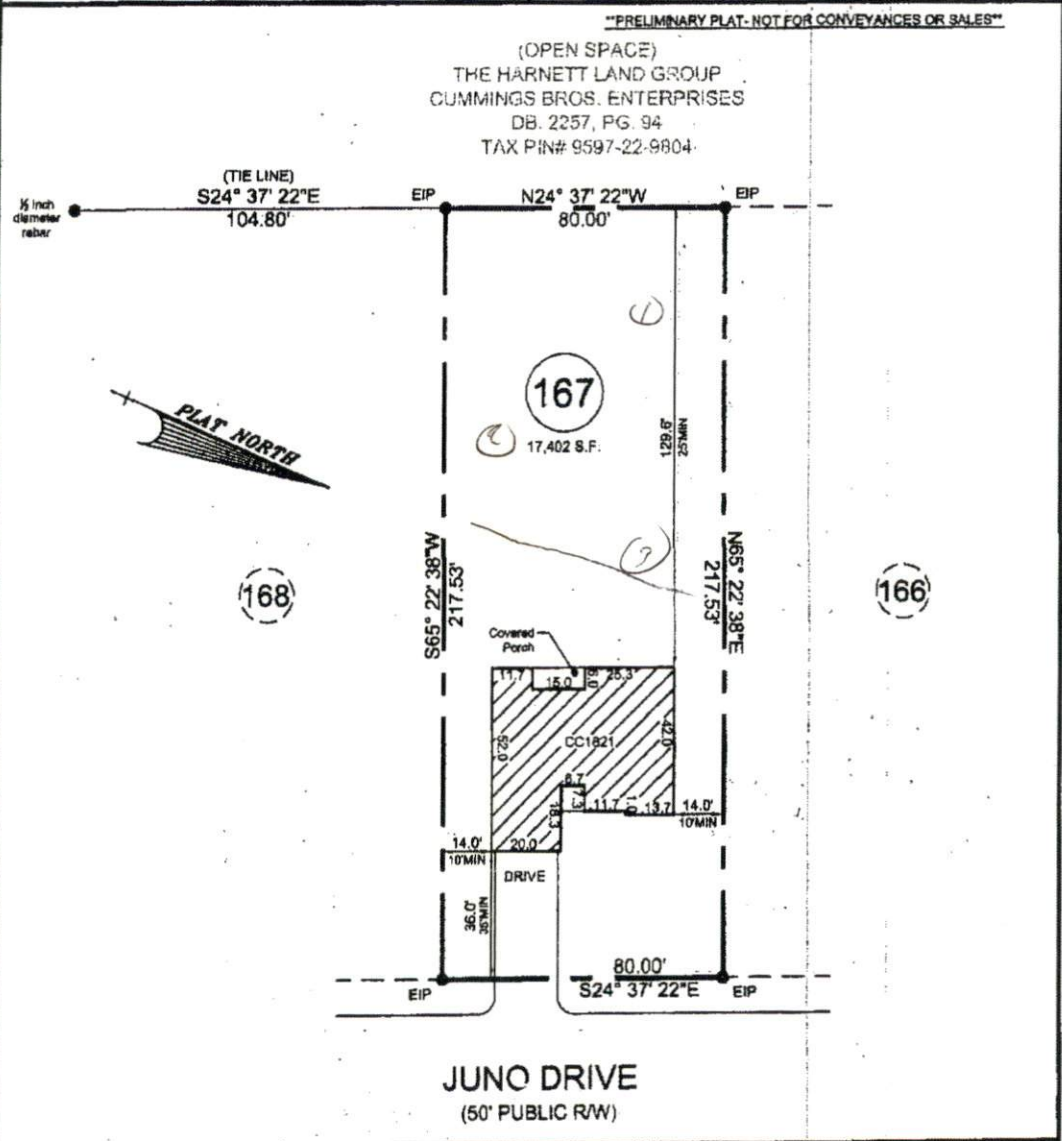

A large grid for site profile and feature recording, consisting of 20 columns and 20 rows. The grid is intended for drawing and recording site features, dimensions, and references.

- This plat is for location purposes only. Builder should verify foundation information with plans before construction begins.
- There is no USCE or NCGS monument within 2000' of this site.
- The subject property is not within a special flood hazard area as determined by the Department of Housing and Urban Development.
- The easement information shown hereon was obtained from the recorded plat. No updated title search was performed by the surveyor.
- All distances are measured in feet.
