THIS CONTRACT OF SALE, made and entered into this 19th day of September, 2014, by and between South Eastern Properties and Development Company, a North Carolina Corporation (the "Seller") and Weaver Development Co., Inc., dba, Weaver Homes (the "Buyer").

WITNESSETH:

IN CONSIDERATION of the mutual covenants, promises and conditions hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the parties, the parties hereto agree as follows:

1. PROPERTY. Seller agrees to sell to the Buyer and the Buyer agrees to purchase from the Seller the fee simple property lying in Harnett County, North Carolina, known as "Improved Lots" #'s 1,3,5,7,31&33 (6 total), situated in Phase I of the Pittman Crossing Subdivision, and being more particularly described in:

Recorded in Plat Slide- 2011-12, in the Harnett County North Carolina, Registry. [See attached Exhibit "A"]

2. LOT TAKE-DOWN. Buyer shall close two improved lots [#'s t/b/d] on or before October 31, 2014. Buyer shall close the remaining (4) improved lots on or before February 15, 2015. Provided Buyer is not in default of the terms and conditions contained herein, Seller hereby agrees to sell to Buyer "Unimproved Lots" #'s 8-29 (22 total) for an amount equal to \$10,500.00 for each lot that will accommodate a subsurface waste disposal system for a three (3) bedroom home, at any time after execution of this contract but in no event later than March 31, 2015. [See attached Exhibit "A"]

3. PURCHASE PRICE. Buyer shall pay to the Seller TWENTY TWO THOUSAND (\$22,000.00) and 00/100 Dollars (the "Purchase Price") for each "Improved Lot". The Purchase price shall be paid at Closing.

4. CONDITIONS TO BUYER'S OBLIGATIONS. The Buyer's obligation to purchase the Property pursuant to this Contract is contingent upon the following, all or any of which may be waived by the Buyer:

A. All deeds of trust, liens, and other charges against the Property, not assumed by the Buyer, must be paid and satisfied by Seller prior to or at closing such that cancellation may be promptly obtained following closing. Seller shall remain obligated to obtain any such cancellations following closing.

- B. Title must be delivered at closing by General Warranty Deed unless otherwise stated herein, and title must be fee simple marketable title, free of all encumbrances except ad valorem taxes for the current year (pro-rated as of the day of Closing), utility easements, unviolated restrictive covenants that do not materially affect the value of the Property, zoning ordinances, road rights-of-way of record, other easements, and such other encumbrances as may be assumed or specifically approved by Buyer.
- C. The Seller has complied with and otherwise performed each of the covenants and obligations of the Seller under this Contract.
- D. All representations and warranties of Seller as set forth in this Contract shall be in all respects true and accurate as of the date of the Closing.
- E. After the date of the execution of this Contract by the Seller, Buyer at Buyer's expense, shall cause a title examination to be made of the Property. In the event that such title examination shall show that Seller's title is not good, marketable, fee simple and insurable, then the Buyer shall immediately notify the Seller in writing of all such title defects and exceptions, as of the date Buyer learns of the title defects, and Seller shall have thirty (30) days to cure said noticed defects. Should Seller elect not to cure such defects, then he immediately shall give notice to Buyer that Seller is terminating the Contract, and the Earnest Money shall be returned to Buyer. If Seller does not cure the defects or objections within thirty (30) days of notice thereof, the Buyer may terminate this Contract and receive a return of Earnest Money. If the Buyer is to purchase title insurance, the insuring company must be licensed to do business in the State of North Carolina. Title to the Property must be insurable at regular rates, subject only to standard exceptions and permitted exceptions. Seller warrants that as of the date of this Contract he holds fee simple title to the Property.
- F. Seller represents and warrants that, to the best of Seller's knowledge, use of the Property for its intended use will not violate any private restrictions or governmental regulations. If Buyer determines, prior to the date of Closing, that use of the Property for its intended use will violate any private restrictions or governmental regulations, then Buyer may terminate the Contract by written notice and receive a return of Earnest Money, and neither party shall then have any further obligations in connection with this Contract.
- G. If the Property is not substantially in the same condition as of the date of the offer, reasonable wear and tear excepted, then Buyer may terminate the Contract and receive a return of Earnest Money.

- H. Buyer, its agents or representatives, at Buyer's expense and at reasonable times during normal business hours, shall have the right to enter upon the Property for the purpose of inspecting, examining, performing soil boring and any other testing and surveying required by Buyer. Buyer also shall have the right to review and inspect all leases, contracts or other agreements affecting or related directly to the Property, if applicable. Buyer assumes all responsibility for the acts of himself, his agents or representatives in exercising his rights under this paragraph and agrees to indemnify and hold Seller harmless from any damages resulting therefrom. Any inspections not completed prior to Closing shall be deemed waived by the Buyer.
- I. Seller shall assist Buyer with amendment of the Phase I Restrictive Covenants to allow construction of single story minimum heated area of 1350 sq. ft. and two story heated area of 1650 sq. ft. with a Five (5%) variance.

5. CLOSING. Closing shall occur for the first lot takedown on or before October 31, 2014, at a place designated by Buyer. Possession shall be delivered at Closing. At Closing, Seller shall deliver to Buyer a General Warranty Deed, an Owner's Affidavit Regarding Liens, lien waiver forms, and any other documents customarily executed by Seller in similar transactions. Buyer shall deliver the Purchase price to Seller at Closing. The Closing shall be complete as of the date and time of the recording of the deed. The deed is to be made as directed by Purchaser.

6. PRORATIONS AND CLOSING EXPENSES. Seller and Buyer agree that all real property taxes and property owner's association dues, if applicable, for the current calendar year shall be prorated based on the calendar year as of the date of Closing. Seller shall pay all deferred ad valorem taxes, past due taxes or assessments, any late penalties, and any and all taxes on personal property. Seller shall pay for the deed preparation, revenue stamps, and any other conveyance fees or taxes due from Seller and Buyer shall pay all other expenses.

7. PROPERTY OWNERS ASSOCIATION DUES. Seller and Buyer mutually acknowledge that, if property owner's association dues are applicable to the Property, such dues shall be current as of the date of the Closing. Dues for the current calendar year shall be pro-rated as of the date of Closing.

8. ENVIRONMENTAL STATUS. Seller represents and warrants that it has no actual knowledge or notice of the presence or disposal on the Property of hazardous or toxic waste or substances, which are defined as those substances, materials, and wastes, including, but not limited to, those substances, materials and wastes listed in the United States Department of Transportation Hazardous Materials Table (49 CFR 172.101, as amended) or by the Environmental Protection Agency as hazardous substances (40 CFR

Part 302, as amended) and amendments thereto, or such substances, materials, and wastes which are or may become regulated under any applicable local, state, or federal law. Seller further states that he has no actual knowledge or notice of any contamination of the Property from such substances as may have been disposed of or stored on neighboring tracts, and it has no reason to suspect that such use or disposal has occurred, either during or prior to his ownership of the Property.

9. RISK OF LOSS/DAMAGE REPAIR. Until the Closing, the risk of loss or damage to the Property, except as otherwise provided herein, shall be borne by Seller. In the event the Property is damaged so that the Property cannot be conveyed in substantially the same condition as it was prior to Closing, Buyer may elect to terminate the Contract, and the Earnest Money shall be returned to Buyer. Except as to maintaining the Property in its present condition as of the date of the offer under this Contract, Seller shall have no responsibility for the repair of the Property, including any improvements, unless the parties hereto agree in writing.
