Matt Betts
H & H Homes
2919 Breezewood Avenue
Fayetteville, NC 27303

Dear Mr. Betts:

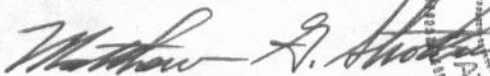

The plan and provided pictures were reviewed for lot #175 Oakmont subdivision in Lillington, North Carolina to address the beam above the family room doorway.

The (2) 1 3/4" x 14" LVL with a hole drilled at an angle through the face and top for an electrical wire was analyzed and will provide the required support for all applied loads. No modification is required.

Please call me if you have any questions.

Sincerely,

J.S. Thompson Engineering, Inc.
