Date

It is the owner/applicants responsibility to provide the county with any applicable information about the subject property, including but not limited to: boundary information, house location, underground or overhead easements, etc. The county or its employees are not responsible for any incorrect or missing information that is contained within these applications.

*This application expires 6 months from the initial date if permits have not been issued**

APPLICATION CONTINUES ON BACK

Per Oliver @ Environmental there is no septic inspection needed or revision to original SFD permit to accommodate this RV. He said it is OK to hook RV to septic once its installed with no inspection.
