Show profile locations and other site features (dimensions, references or benchmark, and North)

A full-page sheet of white graph paper with a light gray grid. The grid consists of small squares, approximately 1 cm by 1 cm each. There are 20 columns and 20 rows of squares, creating a total of 400 small square units. The grid lines are thin and evenly spaced, covering the entire area of the page except for a narrow margin at the top.
