Buyer initials LO EO Seller initials ADC

Should Buyer fail to deliver either the Due Diligence Fee or any Initial Earnest Money Deposit by their due dates, or should any check or other funds paid by Buyer be dishonored, for any reason, by the institution upon which the payment is drawn, Buyer shall have one (1) banking day after written notice to deliver cash, official bank check, wire transfer or electronic transfer to the payee. In the event Buyer does not timely deliver the required funds, Seller shall have the right to terminate this Contract upon written notice to Buyer.

(e) "Earnest Money Deposit": The Initial Earnest Money Deposit, the Additional Earnest Money Deposit and any other earnest monies paid or required to be paid in connection with this transaction, collectively the "Earnest Money Deposit", shall be deposited and held in escrow by Escrow Agent until Closing, at which time it will be credited to Buyer, or until this Contract is otherwise terminated. In the event: (1) this offer is not accepted; or (2) a condition of any resulting contract is not satisfied, then the Earnest Money Deposit shall be refunded to Buyer. In the event of breach of this Contract by Seller, the Earnest Money Deposit shall be refunded to Buyer upon Buyer's request, but such return shall not affect any other remedies available to Buyer for such breach. In the event of breach of this Contract by Buyer, the Earnest Money Deposit shall be paid to Seller as liquidated damages and as Seller's sole and exclusive remedy for such breach, but without limiting Seller's rights under Paragraphs 2(c) and 2(d) for damage to the Property or Seller's right to retain the Due Diligence Fee. It is acknowledged by the parties that payment of the Earnest Money Deposit to Seller in the event of a breach of this Contract by Buyer is compensatory and not punitive, such amount being a reasonable estimation of the actual loss that Seller would incur as a result of such breach. The payment of the Earnest Money Deposit to Seller shall not constitute a penalty or forfeiture but actual compensation for Seller's anticipated loss, both parties acknowledging the difficulty determining Seller's actual damages for such breach. If legal proceedings are brought by Buyer or Seller against the other to recover the Earnest Money Deposit, the prevailing party in the proceeding shall be entitled to recover from the non-prevailing party reasonable attorney fees and court costs incurred in connection with the proceeding.

(f) "Escrow Agent" (insert name): Buyers Attorney

NOTE: In the event of a dispute between Seller and Buyer over the disposition of the Earnest Money Deposit held in escrow, a licensed real estate broker ("Broker") is required by state law (and Escrow Agent, if not a Broker, hereby agrees) to retain the Earnest Money Deposit in the Escrow Agent's trust or escrow account until Escrow Agent has obtained a written release from the parties consenting to its disposition or until disbursement is ordered by a court of competent jurisdiction. Alternatively, if a Broker or an attorney licensed to practice law in North Carolina ("Attorney") is holding the Earnest Money Deposit, the Broker or Attorney may deposit the disputed monies with the appropriate clerk of court in accordance with the provisions of N.C.G.S. §93A-12.

THE PARTIES AGREE THAT A REAL ESTATE BROKERAGE FIRM ACTING AS ESCROW AGENT MAY PLACE THE EARNEST MONEY DEPOSIT IN AN INTEREST BEARING TRUST ACCOUNT AND THAT ANY INTEREST EARNED THEREON SHALL BE DISBURSED TO THE ESCROW AGENT MONTHLY IN CONSIDERATION OF THE EXPENSES INCURRED BY MAINTAINING SUCH ACCOUNT AND RECORDS ASSOCIATED THEREWITH.

(g) "Effective Date": The date that: (1) the last one of Buyer and Seller has signed or initialed this offer or the final counteroffer, if any, and (2) such signing or initialing is communicated to the party making the offer or counteroffer, as the case may be. The parties acknowledge and agree that the initials lines at the bottom of each page of this Contract are merely evidence of their having reviewed the terms of each page, and that the complete execution of such initials lines shall not be a condition of the effectiveness of this Agreement.

(h) "Due Diligence": Buyer's opportunity to investigate the Property and the transaction contemplated by this Contract, including but not necessarily limited to the matters described in Paragraph 2 below, to decide whether Buyer, in Buyer's sole discretion, will proceed with or terminate the transaction.

(i) "Due Diligence Fee": A negotiated amount, if any, paid by Buyer to Seller with this Contract for Buyer's right to terminate the Contract for any reason or no reason during the Due Diligence Period. It shall be the property of Seller upon the Effective Date and shall be a credit to Buyer at Closing. The Due Diligence Fee shall be non-refundable except in the event of a material breach of this Contract by Seller, or if this Contract is terminated under Paragraph 6(m) or Paragraph 9, or as otherwise provided in any addendum hereto. Buyer and Seller each expressly waive any right that they may have to deny the right to conduct Due Diligence or to assert any defense as to the enforceability of this Contract based on the absence or alleged insufficiency of any Due Diligence Fee, it being the intent of the parties to create a legally binding contract for the purchase and sale of the Property without regard to the existence or amount of any Due Diligence Fee.

(j) "Due Diligence Period": The period beginning on the Effective Date and extending through 5:00 p.m. on June 17, 2018 **TIME BEING OF THE ESSENCE** with regard to said date.

Buyer initials WA Seller initials ASG

(k) "Settlement": The proper execution and delivery to the closing attorney of all documents necessary to complete the transaction contemplated by this Contract, including the deed, settlement statement, deed of trust and other loan or conveyance documents, and the closing attorney's receipt of all funds necessary to complete such transaction.

(l) "Settlement Date": The parties agree that Settlement will take place on June 30, 2018 (the "Settlement Date"), unless otherwise agreed in writing, at a time and place designated by Buyer.

(m) "Closing": The completion of the legal process which results in the transfer of title to the Property from Seller to Buyer, which includes the following steps: (1) the Settlement (defined above); (2) the completion of a satisfactory title update to the Property following the Settlement; (3) the closing attorney's receipt of authorization to disburse all necessary funds; and (4) recordation in the appropriate county registry of the deed(s) and deed(s) of trust, if any, which shall take place as soon as reasonably possible for the closing attorney after Settlement. Upon Closing, the proceeds of sale shall be disbursed by the closing attorney in accordance with the settlement statement and the provisions of Chapter 45A of the North Carolina General Statutes. If the title update should reveal unexpected liens, encumbrances or other title defects, or if the closing attorney is not authorized to disburse all necessary funds, then the Closing shall be suspended and the Settlement deemed delayed under Paragraph 10 (Delay in Settlement/Closing).

WARNING: The North Carolina State Bar has determined that the performance of most acts and services required for a closing constitutes the practice of law and must be performed only by an attorney licensed to practice law in North Carolina. State law prohibits unlicensed individuals or firms from rendering legal services or advice. Although non-attorney settlement agents may perform limited services in connection with a closing, they may not perform all the acts and services required to complete a closing. A closing involves significant legal issues that should be handled by an attorney. Accordingly it is the position of the North Carolina Bar Association and the North Carolina Association of REALTORS® that all buyers should hire an attorney licensed in North Carolina to perform a closing.

(n) "Special Assessments": A charge against the Property by a governmental authority in addition to ad valorem taxes and recurring governmental service fees levied with such taxes, or by an owners' association in addition to any regular assessment (docs), either of which may be a lien against the Property. A Special Assessment may be either proposed or confirmed.

"Proposed Special Assessment": A Special Assessment that is under formal consideration but which has not been approved prior to Settlement.

"Confirmed Special Assessment": A Special Assessment that has been approved prior to Settlement whether or not it is fully payable at time of Settlement.

2. BUYER'S DUE DILIGENCE PROCESS:

WARNING: BUYER IS STRONGLY ENCOURAGED TO CONDUCT DUE DILIGENCE DURING THE DUE DILIGENCE PERIOD. If Buyer is not satisfied with the results or progress of Buyer's Due Diligence, Buyer should terminate this Contract, *prior to the expiration of the Due Diligence Period*, unless Buyer can obtain a written extension from Seller. **SELLER IS NOT OBLIGATED TO GRANT AN EXTENSION.** Although Buyer may continue to investigate the Property following the expiration of the Due Diligence Period, Buyer's failure to deliver a Termination Notice to Seller prior to the expiration of the Due Diligence Period will constitute a waiver by Buyer of any right to terminate this Contract based on any matter relating to Buyer's Due Diligence. Provided however, following the Due Diligence Period, Buyer may still exercise a right to terminate if Seller fails to materially comply with any of Seller's obligations under paragraph 6 of this Contract or for any other reason permitted under the terms of this Contract or North Carolina law.

(a) **Loan:** Buyer, at Buyer's expense, shall be entitled to pursue qualification for and approval of the Loan if any.

NOTE: Buyer's obligation to purchase the Property is not contingent on obtaining a Loan. Therefore, Buyer is advised to consult with Buyer's lender prior to signing this offer to assure that the Due Diligence Period allows sufficient time for the appraisal to be completed and for Buyer's lender to provide Buyer sufficient information to decide whether to proceed with or terminate the transaction.

(b) **Property Investigation:** Buyer or Buyer's agents or representatives, at Buyer's expense, shall be entitled to conduct all desired tests, surveys, appraisals, investigations, examinations and inspections of the Property as Buyer deems appropriate, including but **NOT** limited to the following:

- (iv) **Review of Documents:** Review of the Declaration of Restrictive Covenants, Bylaws, Articles of Incorporation, Rules and Regulations, and other governing documents of any applicable owners' association and/or subdivision. If the Property is subject to regulation by an owners' association, it is recommended that Buyer review the completed Owners' Association And Addendum (Standard Form 2A12-T) provided by Seller prior to signing this offer. It is also recommended that the Buyer determine if the owners' association or its management company charges fees for providing information required by Buyer's lender or confirming restrictive covenant compliance.

NOTE: NC General Statutes Section 136-102.6(f) (the "Statute") requires that under circumstances described in the Statute, a buyer must be provided a subdivision streets disclosure statement prior to entering into an agreement to buy subdivided property described in the Statute. If Buyer or Seller are uncertain whether the sale of the Property described in this Contract is subject to the Statute, consult a NC real estate attorney.

(c) **Buyer's Obligation to Repair Damage:** Buyer shall, at Buyer's expense, promptly repair any damage to the Property resulting from any activities of Buyer and Buyer's agents and contractors, but Buyer shall not be responsible for any damage caused by accepted practices applicable to any N.C. licensed professional performing reasonable appraisals, tests, surveys, examinations and inspections of the Property. This repair obligation shall survive any termination of this Contract.

(d) **Indemnity:** Buyer will indemnify and hold Seller harmless from all loss, damage, claims, suits or costs, which shall arise out of any contract, agreement, or injury to any person or property as a result of any activities of Buyer and Buyer's agents and contractors relating to the Property except for any loss, damage, claim, suit or cost arising out of pre-existing conditions of the Property and/or out of Seller's negligence or willful acts or omissions. 6. SELLER OBLIGATIONS:

(a) Evidence of Title, Payoff Statement(s) and Non Foreign Status:

- (i) Seller agrees to use best efforts to provide to the closing attorney as soon as reasonably possible after the Effective Date, copies of all title information in possession of or available to Seller, including but not limited to: title insurance policies, attorney's opinions on title, surveys, covenants, deeds, notes and deeds of trust, leases, and easements relating to the Property.
- (ii) Seller shall provide to the closing attorney all information needed to obtain a written payoff statement from any lender(s) regarding any security interest in the Property as soon as reasonably possible after the Effective Date, and Seller designates the closing attorney as Seller's agent with express authority to request and obtain on Seller's behalf payoff statements and/or short-pay statements from any such lender(s).
- (iii) If Seller is not a foreign person as defined by the Foreign Investment in Real Property Tax Act, Seller shall also provide to the closing attorney a non-foreign status affidavit (pursuant to the Foreign Investment in Real Property Tax Act). In the event Seller shall not provide a non-foreign status affidavit, Seller acknowledges that there may be withholding as provided by the Internal Revenue Code.

(b) Authorization to Disclose Information: Seller authorizes: (1) any attorney presently or previously representing Seller to release and disclose any title insurance policy in such attorney's file to Buyer and both Buyer's and Seller's agents and attorneys; (2) the Property's title insurer or its agent to release and disclose all materials in the Property's title insurer's (or title insurer's agent's) file to Buyer and both Buyer's and Seller's agents and attorneys, and (3) the closing attorney to release and disclose any seller's closing disclosure, settlement statement and/or disbursement summary, or any information therein, to the parties to this transaction, their real estate agent(s) and Buyer's lender(s).

(c) Access to Property: Seller shall provide reasonable access to the Property (including working, existing utilities) through the earlier of Closing or possession by Buyer, including, but not limited to, allowing the Buyer and/or Buyer's agents or representatives an opportunity to (i) conduct Due Diligence, (ii) verify the satisfactory completion of negotiated repairs/improvements, and (iii) conduct a final walk-through inspection of the Property. To the extent applicable, Seller shall also be responsible for timely clearing that portion of the Property required by the County to perform tests, inspections and/or evaluations to determine the suitability of the Property for a sewage system and/or private drinking water well.

NOTE: See WARNING in paragraph 2 above for limitation on Buyer's right to terminate this Contract as a result of Buyer's continued investigation of the Property following the expiration of the Due Diligence Period.

(d) Removal of Seller's Property: Seller shall remove from the Property, by the date possession is delivered, (i) all personal property which is not a part of the purchase and (ii) unless otherwise agreed, all garbage and debris.

(e) Affidavit and Indemnification Agreement: Seller shall furnish at Settlement an affidavit(s) and indemnification agreement(s) in form satisfactory to Buyer and Buyer's title insurer, if any, executed by Seller and any person or entity who has performed or furnished labor, services, materials or rental equipment to the Property within 120 days prior to the date of Settlement and who may be entitled to claim a lien against the Property as described in N.C.G.S. §44A-8 verifying that each such person or entity has been paid in full and agreeing to indemnify Buyer, Buyer's lender(s) and Buyer's title insurer against all loss from any cause or claim arising therefrom.

(f) Designation of Lien Agent, Payment and Satisfaction of Liens: If required by N.C.G.S. §44A-11.1, Seller shall have designated a Lien Agent, and Seller shall deliver to Buyer as soon as reasonably possible a copy of the appointment of Lien Agent. All deeds of trust, deferred ad valorem taxes, liens and other charges against the Property, not assumed by Buyer, must be paid and satisfied by Seller prior to or at Settlement such that cancellation may be promptly obtained following Closing. Seller shall remain obligated to obtain any such cancellations following Closing.

(g) Good Title, Legal Access: Seller shall execute and deliver a GENERAL WARRANTY DEED for the Property in recordable form no later than Settlement, which shall convey fee simple marketable and insurable title, without exception for mechanics' liens, and free of any other liens, encumbrances or defects, including those which would be revealed by a current and accurate survey of

the Property, except: ad valorem taxes for the current year (prorated through the date of Settlement); utility easements and unviolated covenants, conditions or restrictions that do not materially affect the value of the Property; and such other liens, encumbrances or defects as may be assumed or specifically approved by Buyer in writing. The Property must have legal access to a public right of way.

NOTE: Buyer's failure to conduct a survey or examine title of the Property prior to the expiration of the Due Diligence Period does not relieve the Seller of their obligation to deliver good title under this paragraph.

NOTE: If any sale of the Property may be a "short sale," consideration should be given to attaching a Short Sale Addendum (Standard Form 2A14-T) as an addendum to this Contract.

(h) **Deed, Taxes, and Fees:** Seller shall pay for preparation of a deed and all other documents necessary to perform Seller's obligations under this Contract, and for state and county excise taxes, and any deferred, discounted or rollback taxes, and local conveyance fees required by law. The deed is to be made to: Lammoth Michael O'Neal and Elizabeth R. Whaley

(i) **Agreement to Pay Buyer Expenses:** Seller shall pay at Settlement \$ _____ toward any of Buyer's expenses associated with the purchase of the Property, at the discretion of Buyer and/or lender, if any, including any FHA/VA lender and inspection costs that Buyer is not permitted to pay.

(j) **Owners' Association Fees/Charges:** Seller shall pay: (i) any fees required for confirming Seller's account payment information on owners' association dues or assessments for payment or preaction; (ii) any fees imposed by an owners' association and/or a management company as agent of the owners' association in connection with the transaction contemplated by this Contract other than those fees required to be paid by Buyer under paragraph 4(b) above; and (iii) fees incurred by Seller in completing the Residential Property and Owners' Association Disclosure Statement, and resale or other certificates related to a proposed sale of the Property.

(k) **Payment of Confirmed Special Assessments:** Seller shall pay all Confirmed Special Assessments, if any, provided that the amount thereof can be reasonably determined or estimated. The payment of such estimated amount shall be the final payment between the Parties.

(l) **Late Listing Penalties:** All property tax late listing penalties, if any, shall be paid by Seller.

(m) **Owners' Association Disclosure and Condominium Resale Statement Addendum (Standard Form 2A12-T):** If applicable, Seller shall provide the completed Owners' Association Disclosure and Condominium Resale Statement Addendum to Buyer on or before the Effective Date.

(n) **Seller's Failure to Comply or Breach:** If Seller fails to materially comply with any of Seller's obligations under this Paragraph 6 or Seller materially breaches this Contract, and Buyer elects to terminate this Contract as a result of such failure or breach, then the Earnest Money Deposit and the Due Diligence Fee shall be refunded to Buyer and Seller shall reimburse to Buyer the reasonable costs actually incurred by Buyer in connection with Buyer's Due Diligence without affecting any other remedies. If legal proceedings are brought by Buyer against the Seller to recover the Earnest Money Deposit, the Due Diligence Fee and/or the reasonable costs actually incurred by Buyer in connection with Buyer's Due Diligence, the prevailing party in the proceeding shall be entitled to recover from the non-prevailing party reasonable attorney fees and court costs incurred in connection with the proceeding.

7. PRORATIONS AND ADJUSTMENTS: Unless otherwise provided, the following items shall be prorated through the date of Settlement and either adjusted between the parties or paid at Settlement:

- (a) **Taxes on Real Property:** Ad valorem taxes and recurring governmental service fees levied with such taxes on real property shall be prorated on a calendar year basis;
- (b) **Rents:** Rents, if any, for the Property;
- (c) **Dues:** Owners' association regular assessments (dues) and other like charges.

8. CONDITION OF PROPERTY AT CLOSING: Buyer's obligation to complete the transaction contemplated by this Contract shall be contingent upon the Property being in substantially the same or better condition at Closing as on the date of this offer, reasonable wear and tear excepted.

9. RISK OF LOSS: The risk of loss or damage by fire or other casualty prior to Closing shall be upon Seller. If the improvements on the Property are destroyed or materially damaged prior to Closing, Buyer may terminate this Contract by written notice delivered to Seller or Seller's agent and the Earnest Money Deposit and any Due Diligence Fee shall be refunded to Buyer. In the event Buyer does

Buyer initials LO Seller initials ELC

NOT elect to terminate this Contract, Buyer shall be entitled to receive, in addition to the Property, any of Seller's insurance proceeds payable on account of the damage or destruction applicable to the Property being purchased. Seller is advised not to cancel existing insurance on the Property until after confirming recordation of the deed.

10. **DELAY IN SETTLEMENT/CLOSING:** Absent agreement to the contrary in this Contract or any subsequent modification thereto, if a party is unable to complete Settlement by the Settlement Date but intends to complete the transaction and is acting in good faith and with reasonable diligence to proceed to Settlement ("Delaying Party"), and if the other party is ready, willing and able to complete Settlement on the Settlement Date ("Non-Delaying Party") then the Delaying Party shall give as much notice as possible to the Non-Delaying Party and closing attorney and shall be entitled to a delay in Settlement. If the parties fail to complete Settlement and Closing within fourteen (14) days of the Settlement Date (including any amended Settlement Date agreed to in writing by the parties) or to otherwise extend the Settlement Date by written agreement, then the Delaying Party shall be in breach and the Non-Delaying Party may terminate this Contract and shall be entitled to enforce any remedies available to such party under this Contract for the breach.

11. **POSSESSION:** Unless otherwise provided herein, possession, including all means of access to the Property (keys, codes, including security codes, gate openers, electronic devices, etc.) shall be delivered at Closing as defined in Paragraph 1(m). No alterations, excavations, tree or vegetation removal or other such activities may be done before possession is delivered.

Re: Soil evaluation for subsurface waste disposal, off River Bluff Drive North, PIN 0596-27-3392.000 & PIN 0596-27-3067.000, +/- 7.78 acres, Harnett County, North Carolina

Dear Mr. Sigmon,

A preliminary soils investigation has been completed for the above referenced lot at your request. The property is located on River Bluff Drive North (near Erwin) as shown on the accompanying map. The purpose of the investigation was to determine the ability of the soil to support any subsurface waste disposal system for the existing lot(s). All ratings and determinations were made in accordance with "Laws and Rules for Sanitary Sewage Collection, Treatment, and Disposal, 15A NCAC 18A .1900".

Southeastern Soil and Environmental Associates, Inc. (SSEA) performed these soil evaluations in May, 2018. SSEA traversed the property and observed landforms (slope, drainage patterns, etc.) as well as soil conditions through the use of hand auger borings and/or soil probes. From these observations and aerial photography (accuracy may vary; **not based on a current survey**) the boundaries between usable and unusable soils has been estimated on the accompanying map (not to scale).

Two distinct soil patterns were observed in the field evaluations. They are described as follow:

Area "A": These ridge areas are dominated by soils that exhibited 40 or more inches of sandy clay loam to clay overlying parent material. Dominant evidence of soil wetness (colors of chroma 2 or less) was noted in the range of 13 to 22 inches below the soil surface. This shallow depth (rule .1942) makes these soils unsuitable (by rule) based on field classification. A special investigation (including hydraulic conductivity testing, etc.) may prove that there are alternative options available. This may include pretreatment, drip irrigation or other alternatives (these systems can exceed \$20,000.00 and require yearly maintenance contracts).

Further investigation (hydraulic conductivity) and design are required to make a final determination as to the suitability of this soil area for your proposed use (up to 4 bedroom residence).

Area "B": Soils in these areas are dominantly unsuitable for subsurface waste disposal due to poor topography, shallow soil depths to unsuitable saprolite or parent material, soil wetness [colors of chroma 2 (or less) and/or redox mottles that are less than 12 inches from the soil surface] and/or expansive clay mineralogy. The remaining soils do not appear capable of modification under current regulatory criteria (for subsurface waste disposal).

The findings in this report, of course, do not guarantee, constitute or imply any approval, or issuance of permit, as needed by the client from the local health department. This report only represents my opinion as a licensed soil scientist. Because of the extreme variability of these soils, SSEA does not guarantee that permitting agencies will agree with these findings (nor permit any intended use).

As such, any buyer of this property should obtain an appropriate septic improvement permit from the local County Health Department prior to making or completing financial obligations or commitments. (A permit from this agency is the only "guarantee" of a site's suitability).

Southeastern Soil and Environmental Associates, Inc. is pleased to be of service in this matter. We look forward to assisting in additional site analysis needs you may have in the future. Please feel free to call with any questions.

Sincerely,

Mike Eaker

RE: Preliminary soil/site evaluation for approximately 7.8 acres adjacent to River Bluff Drive North in Harnett County

Mr. Godwin,

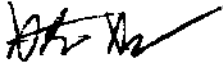

Adams Soil Consulting (ASC) conducted a preliminary soil evaluation on the above referenced parcel to determine the areas of soils which are suitable for subsurface wastewater disposal systems (conventional & LPP). The soil/site evaluation was performed using hand auger borings during moist soil conditions and the suitable soil boundary was sketched onto an aerial photograph taken from the Johnston County GIS database. The nature of the evaluation was for preliminary purposes.

The suitable soil area shown on the accompanying soil map is potentially suitable for a conventional or LPP type septic system for single family residence. The area represents approximately 10,000 ft² of suitable soils that consist of clay subsoil that can support a daily loading rate of 0.3-0.35 gallons/day/ft². The specific septic system and loading rates for this lot will be permitted by the Harnett County Health Department. The areas for the proposed septic fields shall not be impacted by home sites, pools, garages and shall not be mechanically altered from the natural lay of the land. The lot should accommodate a house foot print of at least 60' x 60'.

The lots will require a detailed soil evaluation by the Harnett County Health Department prior to issuance of any permits for a septic system. Both individual parcels may not be able to support individual septic systems and individual home sites and may need to be recombined to accommodate one home site. A septic system layout may be required before a permit can be issued on the above referenced lot demonstrating available space for the primary and repair septic areas. Due to the subjective nature of the permitting process and the variability of naturally occurring soils, Adams Soil Consulting cannot guarantee that areas delineated as suitable for on-site wastewater disposal systems will be permitted by the governing agency. Due to the complexity of the soil found on the parcel any interested party may want to apply for and ensure a septic permit will be issued by the Harnett County Health Department prior to making a financial commitment on this property. The lots may require a septic system utilizing pumps, shallow or ultra-shallow conventional trench placement, low pressure pipe system, pre-treatment units, and/or reductions system for final approval. The accompanying soil map is preliminary in nature, no further assumptions or subdivision should be made without a more detailed evaluation.

If you have any questions regarding the findings on the attached map or in this report, please feel free to contact me anytime. Thank you allowing me to perform this site evaluation for you.

Sincerely,

Alex Adams

Please accept this correspondence from the Town of Erwin as a verification of zoning compliance for a track of land off of River Bluff Drive for a single family dwelling. At the moment, this property does not have an E-911 address. According to Mr. O'Neal this property has been recombined but the updated plat has not been recorded with Harnett County. There are two parcels that are both zoned R-15. They have an identifying Harnett County Tax Pin 0596-27-3067.000 and 0596-27-3392.000.

I have reviewed the proposed site plan, and I have discussed the issues that he has had with this lot. Mr. O'Neal is aware of the setbacks for this zoning district. Please let this letter serve as an approval from the Town of Erwin for Harnett County to conduct a perk test at this property.

Should there be any further questions, please feel free to contact me at Town Hall.

Regards,

Snow Bowden
