**RE: Existing Tank Application HTE# 18-5-44474**

Mr. Avilez,

An attempt was made to evaluate your property for the purpose of issuing an existing tank permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Uncover Outlet lid on septic tank and break seal (\$25.00 fee incurred)
- 2. Have system pumped out
- 3. Replace sanitary T and Lid
- 4. Other – **Flag septic system and drain field, so I can determine available space and repair**

Your application will be put on hold until the selected items above have been addressed. When completed **call 893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

James E Manhart III, R.E.H.S
