Dear Ly Family,

Congratulations on purchasing your new HVAC system from our company. We must complete the final stages for the installation, which is to complete your final re-inspection with the Harnett County Inspections Department according to NC State Building Codes.

Please contact me at 919-550-7711 ext. 103 and/or via email at yolanda@carolinacomfortair.com by 01/16/2019 to schedule.

If we do not here back from you by the above noted date, we will notify the inspections department to remove Carolina Comfort Air from the permit and any fees accessed to reopen the permit will be at the expense to the homeowner.

We appreciate your business and thank you for choosing Carolina Comfort Air!

Sincerely,
