RE: failing septic system at Spence Mill Industrial Park Lt 7

Dear Mr. Kolesar,

An on-site inspection was made on your property today, October 22, 2008, by an Environmental Health Specialist and observed a failing septic system.

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. A person owning or controlling a residence, place of business or a place of public assembly shall provide an approved wastewater system. A wastewater system may include components for collection, treatment and disposal of wastewater.

Before your Operation Permit for the expansion of your existing can be issued you will be required take care of this failing system. **The continuation of this violation may constitute a health hazard, and if you do not comply within the allotted time frame we will be forced to obtain legal action.**

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

  
Oliver Tolksdorf, R.S.  
Environmental Health Specialist
