Attn: Ms. Laura Eckerd, Office Administration
Dr. David Galatas, Principal

Dear Ms. Eckerd and Dr. Galatas:

Kelly has requested that I submit a standard contract agreement for the sampling and analytical service of your wastewater system for your approval and signature.

SERVICE CONTRACT

This is the service contract between Microbac Laboratories, Inc. - Fayetteville Division and Cameron Family Dentistry, Cameron, NC located at 1054 NC Highway #24/87. This agreement shall be for a period of twelve months, effective July 5, 2010. Grab samples shall be collected from the designated access point in your wastewater system by laboratory personnel on a monthly basis and analyzed for BOD, COD, and TSS. This service contract may be modified as necessary as determined by the regulatory authority's requirements. All modifications to this contract shall be agreed to by both parties prior to enactment. Monthly reports will be submitted to you each month after samples have been collected and analyzed. Sample containers and transportation to the laboratory are included in the quoted price of \$159.00 per month.
