**Re: Status of Improvement Permit Application #17-5-41710
Duncan Industrial Park**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor. Irons need to be visible. (\$25.00 fee incurred)**
- 2. Use flags to mark the future building and proposed retention pond and drainage on site.**
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other – Revise application at Central Permitting to include number of employees and the hours of operation.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.

Sincerely,
