

Temporary Certificate of Occupancy

This certificate allows occupancy of the buildings located at 520 Olive Farm Drive, named as Benhaven Elementary School, for a period not to exceed 60 days, upon which all minor code violations named in current inspection lists shall be satisfied. There shall be no work conducted on, in or within the immediate vicinity of any building during normal school operation hours. At no point, shall any adjustment or corrections made to the building, its life safety systems, means of egress components, or any other system create a life safety issue. Doing so will cause immediate revocation of this temporary CO. The Contractor must notify The Building Official, or Fire Marshal immediately upon such circumstance. The site shall be monitored for any possible creation of life safety issues before the start of school each day. This monitoring must be done at the discretion of the Harnett County School Maintenance Department.
