RE: County of Harnett Land Use Application #01-5-3479

Dear Mr. Baker,

On December 5, 2001, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other I will need for you to let me know the exact location of where your driveway is to be located.

When you have completed #1, # 5 & #6 and called our office to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
