Dear Mr. Gilchrist,

On January 24, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other *Due to rocky soil conditions, I will need to meet with backhoe on site. Please call me to arrange a time. I will require one day's notice.*

When you have completed #5 and #6 please call our office at 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
