RE: Status of Improvement Permit Application #3-5-5185

Dear Russell & Kelly Proctor:

On August 15, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required (Backhoe pits are needed due to the rocky soil conditions)
- Other (Please dig backhoe pits 3 feet wide and 4 feet deep, where I have placed blue flagging.

When you have completed #5 and #6, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Health Department
