RE: Status of Improvement Permit Application #3-5-5839
Lots 14 & 15 #3-5-5844

Dear Mr. Canady,

On November 18, 2002, an Environmental Health Specialist from the Harnett County Health Department attempted to evaluate your property for the purpose of issuing an Improvement Permit. This individual was unable to evaluate your property for one or more of the following reasons.

- 1. Property lines/corners not marked or labeled
- 2. House corners not marked or labeled
- 3. Directions not clear to property
- 4. Property needs brush or vegetation removed
- 5. Backhoe pits required
- 6. Other **What is staked on the ground does not match map submitted. Property lines and lot numbers also do not match. Please contact me so we can get things either mapped right, or staked correctly. *Note there are three other lots not yet confirmed, lots #12, #13 #16 which appear to have the same problem.**

When you have completed #6, please call 910-893-7547 to confirm that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Joe West, R. S.
Environmental Health Specialist
Harnett County Health Department
