RE: Radio Frequency Compliance

American Tower Site ID: 21274 / Spout Springs NC1  
AT& Site ID: SINC006548

To Whom It May Concern,

Please be advised that AT&T's Wireless Telecommunication Facility will be operated and maintained per all applicable FCC rules and regulation regarding radio frequency emissions and interference. If there is any interference with public safety communications, AT&T shall utilize procedures set forth by the FCC to remedy the situation. In the event that interference is discovered, and AT&T is at fault, they agree to reimburse the county for any associated costs incurred while resolving said interference.
