

(3) Repealed by Session Laws 2015-263, s. 34, effective September 30, 2015.

(4) A "primitive camp" shall include any structure primarily used or associated with outdoor camping activities, including structures used for educational, instructional, or recreational purposes for campers and for management training, that are (i) not greater than 4,000 square feet in size and (ii) are not intended to be occupied for more than 24 hours consecutively. "Structures primarily used or associated with outdoor camping activities" include, but are not limited to, shelters, tree stands, outhouses, sheds, rustic cabins, campfire shelters, picnic shelters, tents, tepees or other indigenous huts, support buildings used only for administrative functions and not for activities involving campers or program participants, and any other structures that are utilized to store any equipment, tools, commodities, or other items that are maintained or used in conjunction with outdoor camping activities such as hiking, fishing, hunting, or nature appreciation, regardless of material used for construction. The specific types of primitive camping activities, structures, and uses set forth in this subdivision are for illustrative purposes and should not be construed to limit, in any manner, the types of activities, structures, or uses that are exempted from building rules.
