**Re: Status of Improvement Permit Application #EH 1808-0008
27 Duchess Court, Lot 30 Stockton**

To Whom It May Concern,

An attempt was made to evaluate your property for the purpose of issuing an Improvement Permit. The evaluation could not be completed for one or more of the following reasons.

- _____ 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible (*\$25.00 fee incurred*)
- _____ 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- _____ 3. Directions not clear to property (*\$25.00 fee incurred*)
- _____ 4. Property needs only brush or vegetation removed
- _____ 5. Driveway not shown on site plan
- _____ 6. Backhoe pits required

X 7. Other - Revision required. A three bedroom single-family dwelling is the maximum. The system is flagged on site. Revise application to show a three bedroom home and revise the setbacks to agree with the proposed home needing to be moved. Revise the site plan with the new setbacks due to moving the proposed dwelling back and due to moving the driveway outside of the flagged area for the septic system. A \$25.00 revision fee will be incurred for these changes.

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected. We will then reschedule your property for evaluation.

Sincerely,

Andrew Currin, R.E.H.S.
