Is there electricity? Yes No
How many outside spigots 2 Location of spigots back of house and at well house

Please give complete directions from the Health Department to the location.
behind white shed
the white shed is behind the house.

In order for a sample to be taken the well should be made visible to the inspector. This may require the removal of lids over the well, or lids and/or locks of pump houses. We also inspect your well, and if it is unapproved we will not take a sample, but advise you how to protect the well. Once the well has met state requirements, re-apply and we will sample your water at that time. If further visits are necessary there will be an additional charge of \$25.00. You will be notified by mail once the results have been received from the State Lab.

By signing this application I am confirming that the information given is correct.
