From Canal Mill Rd, turn onto Mann Rd. Mann Rd becomes unpaved. Property is the last house on right at end of road (private property sign can be seen before reaching house.)

In order for a sample to be taken the well should be made visible to the inspector. This may require the removal of lids over the well, or lids and/or locks of pump houses. We also inspect your well, and if it is unapproved we will not take a sample, but advise you how to protect the well. Once the well has met state requirements, re-apply and we will sample your water at that time. If further visits are necessary there will be an additional charge of \$25.00. You will be notified by mail once the results have been received from the State Lab.
