The Applicant must submit a Site Plan. The Site Plan is a map/drawing of the property and must show:

1. existing and/or proposed property lines and easements with dimensions;
2. the location of the facility and appurtenance;
3. the location for the proposed well;
4. the location of existing or proposed sewer lines and/or sewage disposal systems within 100 feet of the proposed well;
5. the location of any existing wells within 100 feet of the property; surface water bodies;
6. above ground and/or underground storage tanks;
7. and any other known sources of contamination within 100 feet of the proposed well site.

The Applicant shall notify the Harnett County Health Director through or by way of the Harnett County Division of Environmental Health if any of the following occur prior to well construction:

1. there is a relocation of the proposed facility;
2. there is a change in the intended use of the facility;
3. there is a need for installing the waste water system in an area other than indicated on the well permit; or
4. there are landscape changed that affect site drainage.
