**RE: Illegal septic system location: 225 Dew Lane, Lillington  
PIN # 0671-93-9654.000**

Dear Mr. Bennett:

An on-site inspection of your property was made on February 28, 2020 by an Environmental Health Specialist who observed an illegal septic system. **Unapproved septic system. Septic system in operation without a permit. Tank lid shall be added for final system approval.** Refer to the following:

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. Any person owning or controlling a residence, place of business, or place of public assembly containing water using fixtures connected to a water supply source shall discharge all wastewater directly to an approved wastewater system permitted for that specific use. A wastewater system may include components for collection, treatment and disposal of wastewater.

We request that you contact the Health Department to discuss this matter.

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

Andrew Currin, R.E.H.S
