Re: Status of Repair Permit for: 21 Birchwood Circle Coats, NC 27521

Ms. Moore:

An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible.
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other- No clear septic failure seen at time of inspection. Ground shows wetness in area around home where it's muddy from recent deck addition. Owner notified to have contractor pump out tank, inspect distribution box, and perform routine inspection of lines via plumbing tape/camera etc. to insure no lines are crushed. Reconfirm with Environmental Health if any issues persist or advised by septic contractor to do so.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
