Re: Status of Repair Permit for: 3604 Neills Creek Road Lillington, NC 27546

Mr. Armwood:

An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible.
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. **Other- Site appears to be altered with soil disturbance/excavation. Condition of existing system unknown. Unable to determine if rear yard water is septic affluent or groundwater. Water does not have any sewage smells. Advised to coordinate with soil consultant or septic contractor to locate and research condition of system. Septic proposal advised.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,
