**Re: Status of Repair Permit for: 1351 James Norris Road Angier, NC 27501**

To whom it may concern:

An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible.
- 2. Use orange flags to mark house corners (\$25.00 fee incurred)
- 3. Directions not clear to property (\$25.00 fee incurred)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other- Unable to determine issue. Tank not uncovered. Appears homeowner has been digging around septic tank/d-box and uncovered broken concrete. Homeowner stated that they told contractors they needed tank replaced thus no contractor would come inspect without a permit. Appears based off conversation it may be a broken d-box, septic tank lid, or tank. Septic tank replacement would require permit. Homeowner advised to have tank pumped and inspection done on function of tank. Contractor may coordinate with county inspector. Homeowner provided County inspectors name and number to provide to contractors to clarify request.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Andrew Currin, R.E.H.S.
