In order for Environmental Health to help you with your repair, you will need to comply by completing the following:

1. A "surveyed and recorded map" and "deed to your property" must be attached to this application. Please inform us of any wells on the property by showing on your survey map.
2. The outlet end of the tank and the distribution box will need to be uncovered and property lines flagged. After the tank is uncovered, property lines flagged, underground utilities marked, and the orange sign has been placed, you will need to call us at 910-893-7547 to confirm that your site is ready for evaluation.

Your system must be repaired within 30 days of issuance of the Improvement Permit or the time set within receipt of a violation letter. (Whichever is applicable.)

By signing below, I certify that all of the above information is correct to the best of my knowledge. False information will result in the denial of the permit. The permit is subject to revocation if the site plan, intended use, or ownership changes.

1. That said premises shall be used for residential purposes only and no part of said property shall be used for any commercial or industrial purpose. No building shall be erected, altered, placed or permitted to remain on said lands other than a detached single family dwelling house, together with a private garage and such other outbuildings as may be necessary to the reasonable and proper use of said premises for residential purposes.

2. That no dwelling house containing less than fourteen hundred (1400) square feet of living space including porches but excluding basement and attached private garage, shall be erected, altered, placed or permitted to remain on said premises.

3. No outdoor toilet shall be place, erected or permitted to remain on said premises and no noxious or offensive activity shall be carried on upon said premises.

4. No building shall be located upon said premises nearer than thirty (30) feet to the front property line, or eight (8) feet to any side street or interior property line. For the purpose of this limitation eaves and steps shall not be considered a part of the dwelling, but this shall not be construed to permit any portion of the dwelling to encroach upon or over any adjoining lot.

5. The herein set forth conditions, limitations, and restrictions may and shall be enforced by proceedings in law or equity against any person or persons violating or attempting to violate any of said conditions, limitations or restrictions.

6. These conditions, restrictions, and limitations are to run with the land and shall remain in full force and effect on all parties hereto and all persons claiming by, through or under them unless the grantees, their heirs and assigns, and the then owners of a majority of the lots in the subdivision known as Pine Hills Subdivision as shown by a plat thereof prepared by W. R. Lambert, Registered Surveyor, and recorded in Map Book 18, Page 25, Harnett County Registry, and any additions to said subdivision shall execute and cause to be recorded in Harnett County Registry a proper instrument of writing altering,
