RE: Failure to comply with time frame for repair completion at 170 Cattie Drive, Cameron

Dear Mr. & Mrs. Watson,

On, **July 15th, 2021 an Improvement Permit** was written so that repairs to your septic system could be made. It is your responsibility to see that all problems with the septic system are corrected. Until the system is repaired and an Operations Permit is issued, you continue to be in violation.

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. Any person owning or controlling a residence, place of business, or place of public assembly containing water using fixtures connected to a water supply source shall discharge all wastewater directly to an approved wastewater system permitted for that specific use. A wastewater system may include components for collection, treatment and disposal of wastewater.

You are required to correct this problem within 30 days from the date on the Improvement Permit. It is requested that you contact the Health Department within 7 days in order to verify receipt of this letter. **Be advised that if you do not comply within the allotted time frame legal action must be taken.**

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

Mark Osborne, R.E.H.S.
