An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and **irons that are set by surveyor need to be visible. (As soon as this is done I can release the permit)**
- 2. Use orange flags to mark house box.
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs cleared
- 5. Driveway not shown on site plan (Revision Required)
- 6. Backhoe pits required
- 7. Other-

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.
